Connecting Women Personally, Professionally and Philanthropically

Savor The Colorado Flavor

Benefiting Scholarships for Local Women in Need

Alliance Foundation Fundraiser – A Tasty Night

Alliance members, friends and guests enjoyed the divinely delicious culinary creations at the Savor the Colorado Flavor Fundraiser in April. The event benefited women in our community who are finishing their education, changing their lives, the lives of their families and their communities. The money we raised at this event went directly to the Alliance Foundation's scholarship program because the local food and beverage community completely embraced this event and donated 100% of the wonderful food and beverages we sampled that night.

A special thanks goes out to these wonderful Colorado companies for their generous support:

Breckenridge Distillery

Balistrieri Winery

Colorado Correctional Industries –

Bvcf Trout Hatchery

Haystack Mountain Goat Dairy

Happy Cakes

Izze Sparkling Juice

Left Hand Brewing Company

Redbird Chicken

Secco Italian Bubbles

The **chefs** at **Gourmet Fine Catering** outdid themselves with the dishes they created. Guests nibbled on culinary delights including: herbed chevre crostini, Boulder Italian sausage and green pepper skewers, Red Bird Farm's frenched Asian glazed drumsticks and Haystack Mountain goat cheese and sweet potato beignets -- yum!!

As we savored the food and beverages that night, and connected with other attendees, everyone enjoyed the rockin entertainment from **Jay-Koh**.

Jay-Koh

As always, the highlight of the evening was being able to talk with the gutsy scholarship recipients who were at the event. Each one is an incredible woman who is blending the demands of life with her commitment to earn her bachelor's degree. By earning the scholarship, each woman demonstrated academic excellence and a commitment to community service, all while performing a delicate balancing act. For each woman, earning the Alliance Foundation Scholarship means the difference between finishing school and not finishing school. Also, since each scholarship recipient receives a membership with the Alliance of Professional Women, they benefit from an additional network of encouragement and source of skill and community building.

An event like this could not have happened without the support of a number of people and companies. The Alliance and our Foundation would like to extend a **special thank you** to our sponsors:

Preferred Travel Helpers – Our August Networking Luncheon Sponsor

I used to be the worst traveler. I was the woman who grabbed a stranger's hand when the plane did a shimmy. I was the woman who did not let anyone else on the elevator, for fear it was going to plummet. A breast cancer diagnosis in 2006 cured me of my fear of death, but I still need help traveling.

I am still the woman with an elderly mother who lives across the country. I am still the woman with a daughter with special needs. For me, and for millions of other people, travel is still as much about overcoming an obstacle as it is about adventure, relaxation, or quality time with loved ones.

I was PTH's first client, before there even was PTH. I brought a Helper to Mexico with my family on vacation. For the first time, instead of returning from vacation more haggard and stressed than when I'd left, I came home with beautiful memories of laughing with my family, and glowing skin from the spa visit I got to squeeze in!

The idea for **Preferred Travel Helpers** kept me awake at night for months. Inspired by my idyllic vacation, I felt compelled to make Helpers available for all families.

I have been an entrepreneur over the past 20 years. I am so excited to see my dreams and passion come to life with this new business venture, Preferred Travel Helpers. I want to help keep families together by bridging the gap of geographic distances, and eliminating some of the fears and obstacles that prevent people from seeing the world.

We are fortunate to be partnering with Travel Organizers American Express, a superior travel agency with a 30-year legacy of outstanding service, for all our travel bookings.

I hope that you will consider reaching out to PTH, and allow us to complete your family at the memorable events in your life.

Save the Date... **Race For The Cure® 2011** — Registration Now Open!

It is hard to believe, but the **Susan G. Komen Race for the Cure®** is just around the corner. Okay, not just, but it will be here before you know it! The race is set for **October 2, 2011**.

The **goal for this year is to double last year's team** (husbands, friends, children, significant others and co-workers encouraged to join the team!) If last year was any indication, this year will be even more fun! Last year we decorated t-shirts for "Team Treasure Chests" at the lovely home of Pam Fischer a few days before the race. The morning of the race we all gathered for coffee and a quick bite before heading to the Start line.

As an added incentive to get involved this year we will be collecting potential team names at an upcoming lunch and the person with the best name chosen will be awarded a prize!

Please save the date for this year's race and register now at www.komendenver.org. Early registration is until **June 30**, and you can even save \$5 if you register before then. Choose **"Join an Existing Team"** and search for APW to join our team.

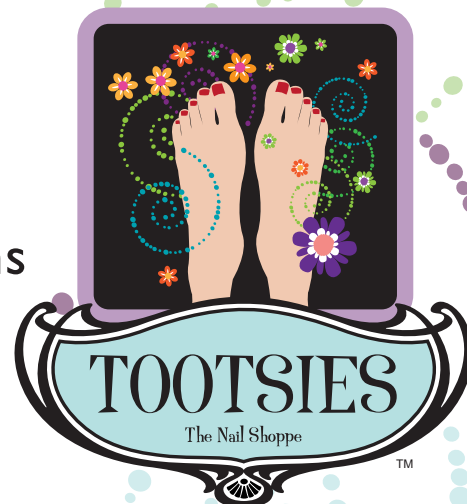

For more information, please contact **Elizabeth B. Moore**, CPA, MTX at (303) 758-5558 *119 or emoore@rgo-cpa.com.

Outreach Committee Sponsors Family Night at Warren Village

The “Family Night Out” program provided an opportunity for volunteers to cook a meal and entertain the children. This year, the Outreach Committee and its volunteers served lasagna, salad and garlic bread to approximately 25 mothers and their children (and a couple of fathers too!) In addition, they had a balloon artist come to entertain the kids. A fun time was had by all! **Thank you** to all who donated for the cause and the volunteers for the evening including: **Jill Madison, Chelsey Burns, Alexie Tune, Elizabeth Moore, Samantha Dardano** (and sons **Deuce & Beau**), **Shae Thurman, Sheila Drew, Karen Rosen** (and daughter **Jordan**), **Pam Fischer, Anne Moore, Linda McGill, Joanna Scarborough, Rita Scott** and **Norma Harrison**.

Warren Village helps motivated low-income, previously homeless single parent families move from public assistance to personal and economic self-sufficiency through subsidized housing, on-site nationally accredited child care, intensive case management, education guidance and career development. In a word, it's all about potential - realizing it, promoting it, and achieving it.

Specifically, **Warren Village nurtures the potential in individuals and families through three on-site integrated programs:**

- **Housing** — offering 93 one-, two- and three-bedroom apartments accommodating families of up to six children and one adult.
- **The Greta Horwitz Learning Center** — providing quality child care and early childhood education for as many as 130 children, ages six weeks to 12 years, through a multi-cultural and gender-fair curriculum developed for at-risk urban kids.
- **Family Services** — giving parents and their children the opportunity to change and improve their lives through a full range of services, including comprehensive case management, vocational assessment, evening life skills classes, child-enrichment activities, mentoring and resident-initiated leadership opportunities.

1. **Why did you join the Alliance of Professional Women?** I want to be a part of a dynamic group of women making a difference in their careers and the quality of life for others
2. **What are your hobbies?** Hobbies are skiing, hiking, and rollerblading with the kids in a stroller; anything outside! I also like yoga, and going to the gym. I love to travel, cook and do anything with my family (two kids and an awesome husband).
3. **What is your position/business?** Window Treatment Consultant for Gotcha Covered
4. **What is something that few people know about you?** My dad was one of the guys who worked on designing the Rugger - with the rubber buttons - very popular style in the 80's! He was a dynamic innovative clothing designer / VP of sales for Men's clothing lines all through my childhood, so I grew up surrounded and fascinated with tassels / trims / fabric swatches. I translated this fabric passion into a creative profession for me in my adult life; same concept different medium: no clothing design for me, windows are my medium! I have an experienced eye to be able to tell how well fabric will lie / drape / upholster and how it will look as a finished product with embellishments and I enjoy helping people identify their personal style in the form of decor.

Leah Dirks— Vice President, Firstbank, 303-347-5958, leah.dirks@efirstbank.com

1. **Why did you join the Alliance of Professional Women?** I've attended a few events for APW over the last year, and each time, I have been so impressed by the women I meet! I have been looking for an organization to become more involved with for quite awhile now, and what has really drawn me to APW is how the organization focuses on the growth of friendship among women and how we can help each other grow our personal goals and passions. I've always left inspired by the people I meet!
2. **What are your hobbies?** I love to spend time outdoors: camping, fishing, bike riding, hiking, or even taking a walk to the park with my kids! I also love reading, watching movies, going to concerts, and traveling.
3. **What is your position/business?** I am a Vice President at FirstBank in the Littleton Market. I focus primarily on consumer and commercial lending, branch management, and identifying and providing the best banking products and services possible for our customers.
4. **What is something that few people know about you?** This is tough...I'm pretty much an open book! Something probably few people know about me though is that I would love to learn to run long distances. I've never been a runner, but I've heard that it's just a matter of practice and training!

Jennifer Luce— Senior Vice President, Firstbank - Littleton Market, 303-347-5912, jennifer.luce@efirstbank.com

1. **Why did you join the Alliance of Professional Women?** I joined APW because after attending one luncheon I felt so welcomed by the members and wanted to get to know them better. Melinda Harper Appointed to Dunn on Damages Expert Panel

Melinda Harper, founding member of Harper Lutz Zuber Hofer & Associates, LLC (HLZH), (also a founding member of The APW) has been named a charter member of the Dunn on Damages expert panel of contributors. The quarterly Dunn on Damages journal features articles and insights written by leading experts in economic damages, forensic accounting, and litigation services of interest to litigators and other experts. The goal of the journal is to educate practitioners and provide them with practical, hands-on tools they can use to succeed, while improving professional accuracy and consistency in the analysis of economic damages.

Melinda Harper

Harper joins an expert panel with 17 noted attorneys, CPAs, and damages experts from throughout North America. "This stellar panel of attorneys and financial experts is from all areas in which economic damages are claimed," says Dunn. "Together we will fill what I believe is a void in the economic damages area: in-depth analysis, practical advice, and commentary on important and controversial subjects."

As a member of the expert panel, Harper will provide at least one in-depth article per year on a relevant topic of her choice. Topics include case law analysis, regulatory reviews, expert witness tools, lost profits damages techniques, testimony and courtroom tips, and much more. Content is focused on litigation, damages, testimony, and forensics issues.

"I am honored to be part of a panel that includes other experts I have known and respected for many years," says Harper. "I plan to focus on contributing insights into the nuances of evaluating damages across a range of industries. My first article, which will run in the next issue, will focus on financial analysis of alter-ego factors considered in attempts to pierce the corporate veil."

Harper Lutz Zuber Hofer & Associates, LLC is a Denver-based CPA firm providing valuation services, forensic accounting, and litigation support services to attorneys, corporations, and individuals. For more information about HLZH, please visit our web site at www.hlzcpa.com. HLZH was founded in 2004 and currently has five partners and 11 associates.

June Networking Luncheon

We had another **fabulous luncheon** at **The Denver Country Club** and thank **Robin Berg**, for securing the location and for hosting the event! We thank **David Wilhelm Jr.** who is the kind DCC member that sponsored us for the second time at the club and the staff who did an outstanding job as well. It is always a treat to spend a little time at this Denver landmark and everyone enjoyed a great time. Door prize drawing thanks goes to, The Comedy Works, Planet Laborites, and for tickets to an advanced screening to “Beginners”.

Thanks to APW members, **Laura Srsich** for referring **Helen Scanu**; **Helene Schmidt** for referring **Lauren Kaplan**; and **Pam Fischer** for referring **Ginny Taylor**, each will receive an ad in the Communique!

Dear Friends,

On behalf of everyone at Warren Village I would like to thank you for hosting a fantastic Family Night on May 24th. Our Warren Village families absolutely loved it!

Your volunteer work is so important to us as it sustains and supports the work of Warren Village staff members. With your help we are able to enhance and improve our services and programs. We could not do it without your generous contribution of time and talent.

Thank you again for choosing to spend your time supporting Warren Village. We hope you enjoyed it as much as we appreciated having you. We hope to see you again in the future.

Sincerely,

Sarah Flint
