

Corporate Memberships

Our **Corporate Membership** packages are designed to provide you with unequalled exposure to a powerful and diverse group of women in the Denver metro area.

“My **Corporate Membership** with The Alliance of Professional Women and my involvement with the organization have helped me to further develop my leadership skills. I have been able to participate on committees, the **Board** and have held officer positions. The enhancement of these skills has transferred back into my professional role.”

Suzanne Sanchez, Great-West

The Alliance of Professional Women offers three levels of **Corporate Membership** to meet your business' size and needs.

Athena - Greek Goddess of Wisdom

Kuan Yin - Buddhist and Chinese Goddess of Compassionate Wisdom

Cerrid - Celtic Goddess of Inspiration

Corporate Members reap the benefits of belonging to a multi-faceted organization that addresses the “whole woman.” This includes the opportunity to create meaningful business relationships, hone their leadership skills through participation on our committees and Board of Directors, and stay informed about issues and events affecting professional women through speakers, courses, and our monthly newsletter.

The Alliance also encourages volunteerism and mentoring, working with other organizations to support women and girls locally and worldwide; our **Corporate Members** are often named sponsors in these fundraising and volunteer efforts.

The women that you designate in your Corporate Membership receive all the Individual Membership benefits as well as:

- All company employees receive member pricing for all events
- Ads in our monthly newsletter and on our website – www.apwcolorado.org
- A number of FREE passes to Networking Luncheons or Business After Hours
- Company featured on APW's website with logo and hyperlink
- Corporate member pricing for Continuing Education for-credit courses
- Employee members included in APW on-line Membership Directory
- All employees eligible to receive APW monthly newsletter The Communique
- Discounted guest passes for APW Networking Luncheons
- Portion of membership goes to benefit the Alliance Foundation
- Employee members have option to participate in Committees and/or Roundtables
- Opportunity to sponsor monthly networking luncheons
- Opportunity to purchase APW mailing labels

“The professional enrichment I've received from my **Corporate Membership** with the APW - exposure to other corporate cultures, being able to compare my work environment with others and gain ideas for changes as well as meeting potential referral sources – has been invaluable.”

Cathy D'Attilo, US Bank

“As a member of the APW, I have resources available to me that I might not otherwise. For instance, if I need an attorney specializing in a certain field, all I have to do is flip open my APW directory and make a call. I have always felt confident referring the competent and professional women I have met through the organization.”

**Elizabeth Moore
Ryan, Gunsauls & O'Donnell**
